

2019 – 2022 Membership Information

Strewn’s Barrel Club provides a unique opportunity to be part of our winemaking process through ownership of a new oak barrel. The winery will use your barrel for three years and in return you will receive an annual selection of wine (your choice) from the Strewn retail store plus many more privileges!

To provide complexity and flavour components, Strewn uses a combination of barrels for fermenting and/or aging white and red wines. American Oak provides forward & rich notes, Canadian Oak gives tannin and spice, French Oak adds savoury, subtle oak. Approximately 50 barrels will arrive at the winery from several different cooperages in early September 2019.

At the end of your three-year membership, you will have taken home wine that equals your purchase price of the barrel plus 10% (wine is taken once a year on the anniversary of when you joined).

Then you decide whether to take your empty barrel or leave it for the winery to use. If you leave the barrel you select additional wine equal to about 10% of the barrel’s purchase price.

Type of Barrel Purchased	Purchase Price	You Take \$ Wine Over 3 Years	You Receive \$ Wine IF Barrel Left After Membership Period
American Oak	\$600	(3X \$220) \$660	\$60 SOLD OUT
Canadian Oak	\$720	(3X \$265) \$795	\$70 SOLD OUT
French Oak	\$860	(3X \$320) \$960	\$80

As a Strewn Barrel Club Member each year you receive invitations to member-only Barrel Club experiences (for up to four people) where you can visit your barrel and try barrel samples, three complimentary tastings for two people, and opportunities to select special releases for your cellar.

To join the Strewn 2019 -2022 Barrel Club, fill in the application form along with payment information and mail or fax to the winery.
