

2021 – 2024 BARREL CLUB MEMBERSHIP INFORMATION

Strewn's Barrel Club provides a unique opportunity to be part of our winemaking process by being a foster parent to a new oak barrel. The winery will use your barrel for three vintages, in return you will receive an annual allotment of wine (your choice) from the online or onsite Strewn store!

To provide complexity and flavour components, Strewn uses a combination of barrels for fermenting and/or aging white and red wines. American Oak provides forward & rich notes, Canadian Oak gives tannin and spice, French Oak adds savoury, subtle oak. Approximately 50 barrels will arrive at the winery from several different cooperages in early September 2021.

At the end of your three-year membership, you will have taken home wine that equals what you paid for the barrel plus 15% (wine is taken once a year on the anniversary of when you joined).

Type of Barrel Purchased	Purchase Price	On the 1 st , 2 nd & 3 rd Anniversary of when you joined, you will receive a credit for wine in the following amount:
American Oak	\$600	\$230 (3X = \$690)
Canadian Oak	\$720	\$276 (3X = \$828)
French Oak	\$860	\$330 (3X = \$990)

Please note that following "Safe & Welcome" Ontario Winery Guidelines, all our wine tastings and experiences are by reservation, and are offered at specific times. For safety reasons, we are unable to offer barrel visits. You may book two complimentary seated tastings each year (one indoor tasting for two people, and one outdoor tasting for up to four people). You will also receive invitations to special virtual member sessions and/or educational video vignettes with the winemakers. Members receive a 15% discount if they would like to purchase a Retired Barrel (when available).

Conditions (The Fine Print): A barrel is assigned to one individual, to whom we issue the annual wine credit (the credit cannot be split and used by more than one person). Your anniversary date is the date you purchase the barrel regardless of the date the barrel arrives at the winery. Your Barrel Club plaque will be attached after the barrel arrives from the cooperage. Your annual wine allotment must be picked up in its entirety within three months after each anniversary date in one (1) pick-up (no value can be carried over from year to year).

To join the Strewn 2021-2024 Barrel Club, fill in the application form along with payment information and mail or fax to the winery.
